DETAILED ACTION

Claim Objections

1. Claim 1 is objected to because of the following informalities: On line 8 of the claim, the phrase "a the stern" should be corrected to read "at the stern". Appropriate correction is required.
2. Claim 19 is objected to because of the following informalities: Claim 19 does not end with a period, and is thus considered to be incomplete. Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
4. Claims 1-22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
5. Claim 1 recites the limitation "the stern" in line 4. There is insufficient antecedent basis for this limitation in the claim.
6. Claim 8 is presented in dependent form, depending from claim 8. It is unclear to the examiner whether the applicant intended to present claim 8 in independent form, or in dependent form.

7. Claim 22 recites the limitation "the stern" in line 4. There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

8. Claims 1-22 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

9. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Davidson (US 6,263,825), Polidan (US 6,260,505), Szukhent, Jr. (US 6,006,692), Menne, Jr. et al.
